

INSTRUCTIONS FOR USE:

1. Turn clockwise to unscrew and open.

2. Add the right amount of water, to the mark shown, then add 2-3 drops of oil.

3. Rotate the suction wick to remove the cotton core.

4. Soak cotton core about 1 minute.

5. Install cotton core then connect to the power supply. Diffuser will not operate until connected with USB to the power supply.

6. Press the touch switch to operate.

MILANO MINI USB DIFFUSER

INSTRUCTIONS MANUAL

PRODUCT:

Create a serene and inviting oasis in your home with Milano Décor Mini USB Ultrasonic Diffuser.

The Mini USB Ultrasonic Diffuser is available in contemporary, neutral colours to complement every home interior.

The Mini USB Ultrasonic Diffuser comes with a free 10 pack of aroma scented oils. Simply add a few drops of your favourite scent to the 130ml tank for up to 4 hours of continuous mist. For peace of mind, the Mini USB Ultrasonic Diffuser has an automatic safety shut off function when water levels are low.

Welcome home.
